ELECTRONIC JOURNAL
Loads of features, innovation, simplicity and efficiency all in the same affordable ECR.

The TEC MA-186 ECR Product is the perfect solution for the small retailer who requires a product with sophisticated features yet is easy to use and economical to own. The introduction of the New Electronic Journal Feature is a very significant breakthrough in this price range. The Electronic Journal Feature will allow the user to enjoy the many benefits of a two station printer. The TEC MA-186 provides high levels of Cashier/Clerk convenience, increased speed, improved accuracy, added productivity and extended reliability. Modern styling and a compact low profile design make the TEC MA-186 ideal for a wide variety of small retail applications.
