

# QTab 9

The Tablet Solution  
Among Touch Systems

## Highlights:

- capacitive touch
- integrated WiFi
- splash proof
- flexible screen layouts
- online updates
- stable base

The QTab 9 impresses with its exceptional flexibility. It can be used both as an independent cash register system and as a comfortable customer display for QTouch systems.

With its elegant base, it stands securely on the counter. The adjustable screen tilt angle ensures optimal visibility from various viewing angles.

**Elegant**  
**Multi-purpose**  
**High quality**

Tilt 10° - 90°

VESA 75x75
