

# QTouch 11

The Middle of Everything –  
Big Screen, Small Size

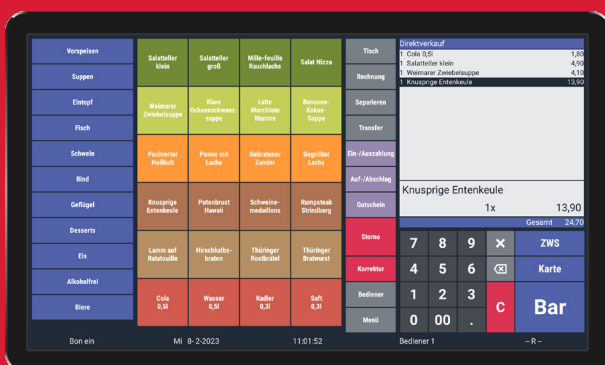

## Highlights:

- capacitive touch
- fast printer
- integrated WiFi
- operator lock
- splash proof
- flexible screen layouts
- online updates

The modern all-in-one POS system QTouch 11 combines intuitive use with universal application and maximum reliability with an elegant design.

With the dependable hardware and the versatile QMP software, the QTouch 11 checks all the needs for your daily transaction management, whether you run a store, restaurant, coffee shop or bakery.

Elegant  
Multi-purpose  
High quality

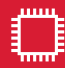

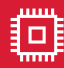

Stand-alone or networked in combination with other QUORION POS systems of the QMP 2.0 generation, the QTouch 11 represents your star player, when it comes to point-of-sale.

Everything you need out of the box – POS software, touch screen, printer, customer display, WiFi, clerk lock. It's all there to help you smoothly run your business.
