XE-A206 Thermal Cash Register

The XE-A206 cash register with Microban[®] antimicrobial key tops is the ideal solution for businesses that want the latest features along with fast, quiet thermal receipt printing. The cash register features two displays, 2000 price look-ups and four tax tables. The XE-A206 includes a PC link cable and PC software for simple programming of all PLUs, departments, and clerk numbers. As a bonus feature, the XE-A206 offers a graphic generator to let users add logos and graphics to receipts.
